Taxi

If you prefer to take a cab to Stockholm City it is utterly important to choose the right taxi company. Unfortunately, a lot of tourists get scammed by non-reliable companies.

These are the companies that you can travel with:

Taxi Stockholm

Taxi Kurir

Sverige Taxi 020

Before leaving, it is highly recommended that you agree on the price with the driver. Ask them what the drive to Stockholm city will cost.

Anything above 1000 SEK (93\$/86€) is a scam.

Other international taxi companies as Uber or Bolt are available and have to be booked as usual through their app.

A taxi ride from Arlanda to Stockholm city takes, depending on traffic 30-35 minutes.
